

**Are you concerned about medical mandates and vaccine passports?**

**Could you be fired or kicked out of school  
for declining a medical intervention?**

**Do you oppose turning away customers  
for exercising their freedom to make to their own health decisions.**

**TAKE ACTION!** Please call, email or write a letter and ask your state legislators to protect your fundamental right **to make choices about your own healthcare** without coercion or discrimination. **Ask them to CO-SPONSOR & SUPPORT:**

**S1122 An Act relative to bodily autonomy and family integrity**

**&**

**HD2861 An Act affirming and protecting the constitutional right to personal liberty**

These Bills would protect fundamental rights recognized in the US Constitution and The Constitution of the Commonwealth of Massachusetts, Declaration of Rights by:

- Affirming an individual's right to make personal decisions concerning medical treatments.
- Affirming that a person's fundamental right to privacy, travel and speech shall not be infringed upon to impede the making of decisions for themselves or for their dependents
- Making it unlawful to terminate employment based solely on an employee's medical decisions.
- Ensuring equitable access to justice.
- Preventing discrimination against those who are medically vulnerable.
